Enhances mitochondrial function, energy production and muscle strength

True Shilajit comes from the Himalayan mountain range. One Sanskrit translation reads as "destroyer of weakness"!

Natural Relief for Menopause Symptoms

Eases hot flashes and night sweats, supports skin comfort, balances mood

Natural medicines have been used for centuries to help women find balance during this phase of life. The Asian herbal complex found in Menopause Relief has documented use going back generations. The inclusion of three Purica full spectrum mushrooms takes this formula to the next level. Find balance in mind, body and energy, naturally.

Plant and mushroom formula for comprehensive menopause symptom relief
